

IS IT TRUE?

Dear colleagues:

It is our pleasure to invite you to our VII International Week (4th-8th May 2015), this year under the title “IS IT TRUE?” organized by the Faculty of Business Management and Economics at the University of León.

We try to contribute both students and teachers, with an international atmosphere those days in our events, providing our students the opportunity to be taught by foreign professors, and the professors to discuss new ideas and possible future collaborations.

The sessions will be 1 hour lecturing and 15 minutes of possible questions from the audience. Normally the students enrolled are in their last years of their degrees (Business Management, Marketing, International Commerce, Economics and Finance).

We encourage you to present practical themes relevant for the European Context or even case studies or examples from your countries.

As partners, we would appreciate very much your participation in our international week. If you are interested, please fill in the application form attached and e-mail it to feint@unileon.es together with you CV. The deadline for receiving the applications is the 6th February, and the confirmations will be sent to your personal emails by 13th March.

Yours sincerely
